

CREATIVE OUTLIER FREE

Wireless Bone Conduction Headphones with Bluetooth® 5.3

Stay connected and alert at all times with the Creative Outlier Free. The wireless bone conduction headphones offer the best of both worlds with high-quality audio playback while keeping the ears open, ensuring improved situational awareness at all times.

Together with an extensive battery life of up to 10 hours, Bluetooth® 5.3, and an IPX5 water-resistant rating, Creative Outlier Free is designed to give you absolute freedom regardless of the weather conditions.

A DIFFERENT WAY OF LISTENING – Creative Outlier Free uses bone conduction technology to relay sounds directly to the inner ear bones via vibrations through your cheekbones. The technology and open-ear nature gives you a safer listening experience while offering high-quality acoustics

FIT SECURELY AND COMFORTABLY – Shaped to follow the natural curve of your ears, Creative Outlier Free rests comfortably and securely on your ears as you work up a sweat. Jump, lift, or sprint—it doesn't budge

UP TO 10 HOURS OF TOTAL PLAYTIME AND IPX5 WATER-RESISTANT – With an IPX5 rating, together with a long-lasting battery life of up to 10 hours, Creative Outlier Free is all ready to stand by you through your runs in light rain conditions, and sweaty workouts, all day in and day out

CONNECT UP TO 2 DEVICES AND ENJOY SMOOTH WIRELESS STREAMING – Enjoy reliably smooth audio streaming with the latest Bluetooth 5.3. Combined with multipoint connectivity, Creative Outlier Free allows you to connect up to 2 Bluetooth devices at the same time and switch seamlessly between the two devices at your convenience

HASSLE-FREE CONVENIENCE – Equipped with a built-in mic so you can conveniently hop on a call and start chatting away with a press of a button. With the very same mic, activating Siri or Google Assistant is also a breeze
