

# PowerCore III Fusion 5K

**5000mAh 2-in-1 Fusion Portable Charger 18W Power Delivery and PowerIQ Technology, External Battery Compatible with iPhone, Samsung, iPad, and More.**

Power Delivery

PowerIQ Fast Charging

Premium Design

## Key Benefit

\* The Ultimate 2-in-1 Charger: Combining a 5,000mAh portable charger and powerful dual-port wall charger into a single compact device, PowerCore III Fusion 5K lets you stay powered anywhere.

\* High-Speed Charging: The 18W USB-C port provides high-speed charging for a huge range of mobile devices including phones, tablets, and more. Charge an iPhone 11 in less than 2 hours or an iPad Pro in less than 3.5 hours.

\* Stay Powered On-The-Go: Get a full charge for most phones including Samsung S10, iPhone 11, and Google Pixel 4.

## Bullet Selling Point

- \* 2-in-1
- \* 18W Power Delivery
- \* Ideal For Travel
- \* MultiProtect Safety System

## What Included

- \* PowerCore III Fusion 5K
- \* User Manual, Pouch
- \* 24-Month Hassle-Free Warranty

### Brand Name: Anker

SKU Number: A1624G21

EAN: 0194644021184

Packaging Dimensions: 160\*130\*40 mm

Product Gross Weight: 414 g

### Attribute Name Values

Input Ports: AC Input

Output Power: 100-240V~ 1.6A

Output Ports: USB-A x 1, USB-C x 1

Output Power: 18W
