

ANKER Solar Panel	
Product Image	
Product Name	Anker 625 Solar Panel (100W)
Product PN #	A2431031
EAN	0194644098056
Solar Panel Information	
Solar Panel Power	100W
Type of Solar Panel	Monocrystalline
Output Information	
Maximum Output	100W
# of XT60 Output	1
XT60 Output	100W
Open-circuit Voltage	30V
Operating Voltage	26.5V
Operating Current	3.77A
# of USB-A Output	1
USB-A Output	5V=2.4A
USB-A Maximum Power (each)	12W
# of USB-C Output	1
USB-C Output	5V=3A
USB-C Maximum Power (each)	15W
Weight & Dimension	
Product Dimension (Fold, mm)	525 x 470 x 85 mm
Product Dimension (Unfold, mm)	1446 x 525 x 45 mm
Product Weight (kg)	5 kg
Product Weight with Package (kg)	6.7kg
Safety Information	
Ingress Protection (Dust/Water Protection Level)	No
Operation Temperature (°C/°F)	-4°F-140 °F / -20°C-60°C
Under Voltage Protection (Input V)	6V
IPX	-
Selling Point	
Selling Point 1	The 100W output of the solar panel is the most suitable charging device for Powerhouse outdoors.
Selling Point 2	1-way USB-A and USB-C; can charge two devices at the same time
Selling Point 3	Integrated design; the product comes with a storage bag, and the storage bag can act as a bracket after being unfolded, realizing the integration of solar panels, storage bags and brackets.
Selling Point 4	Charging recovery; if the charging is interrupted due to insufficient light intensity during the charging process, it will automatically resume charging when the light intensity is sufficient.
